

# OrderOne Image Instructions

by Selco

1. Open watch template in adobe illustrator or adobe acrobat.
2. Place logo inside blue box.
3. Delete the blue box.
4. Save the watch image in a web friendly format such as a JPG format.
5. Once you completed creating a watch image, send a copy back to Selco along with the logo file. We will assign it a program number to ensure fast turn times once we start receiving orders.
